This is me: Rose

Been working for the Tailgate Toolkit since Oct 2023

Have been working alongside the unhoused population of the Fraser Valley since 2014; HIV & Hep C Care, helped run a Drop-In Center, Street Reach and educating communities about Harm Reduction & Naloxone.

Learned a trade and loved the industry

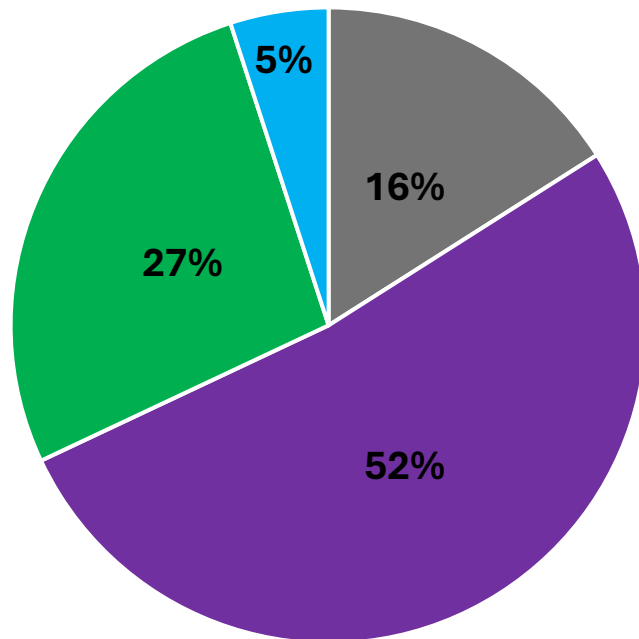

Now I get the best of both worlds, helping people in the trades industry
And promoting positivity

Tailgate Toolkit

Providing free education about Mental Health, Substance Use and Pain Management
In the Trades Sector.

Those Employed at the Time of Death:
Sector Representation

■ Trades, Transport, and Forestry

Why the trades?

**Who are we
Talking about?**

**For the first time in history,
5 generations of Tradesmen
Working together**

How can we help?
Educate
& Support

Accountability

Open-mindedness

The opposite of addiction
Is not treatment,
It's Connection!

The time is now,
It starts with us!
